AUTHOR: Gillian

This morning, I was having such a good time playing with my sand bin on my porch.

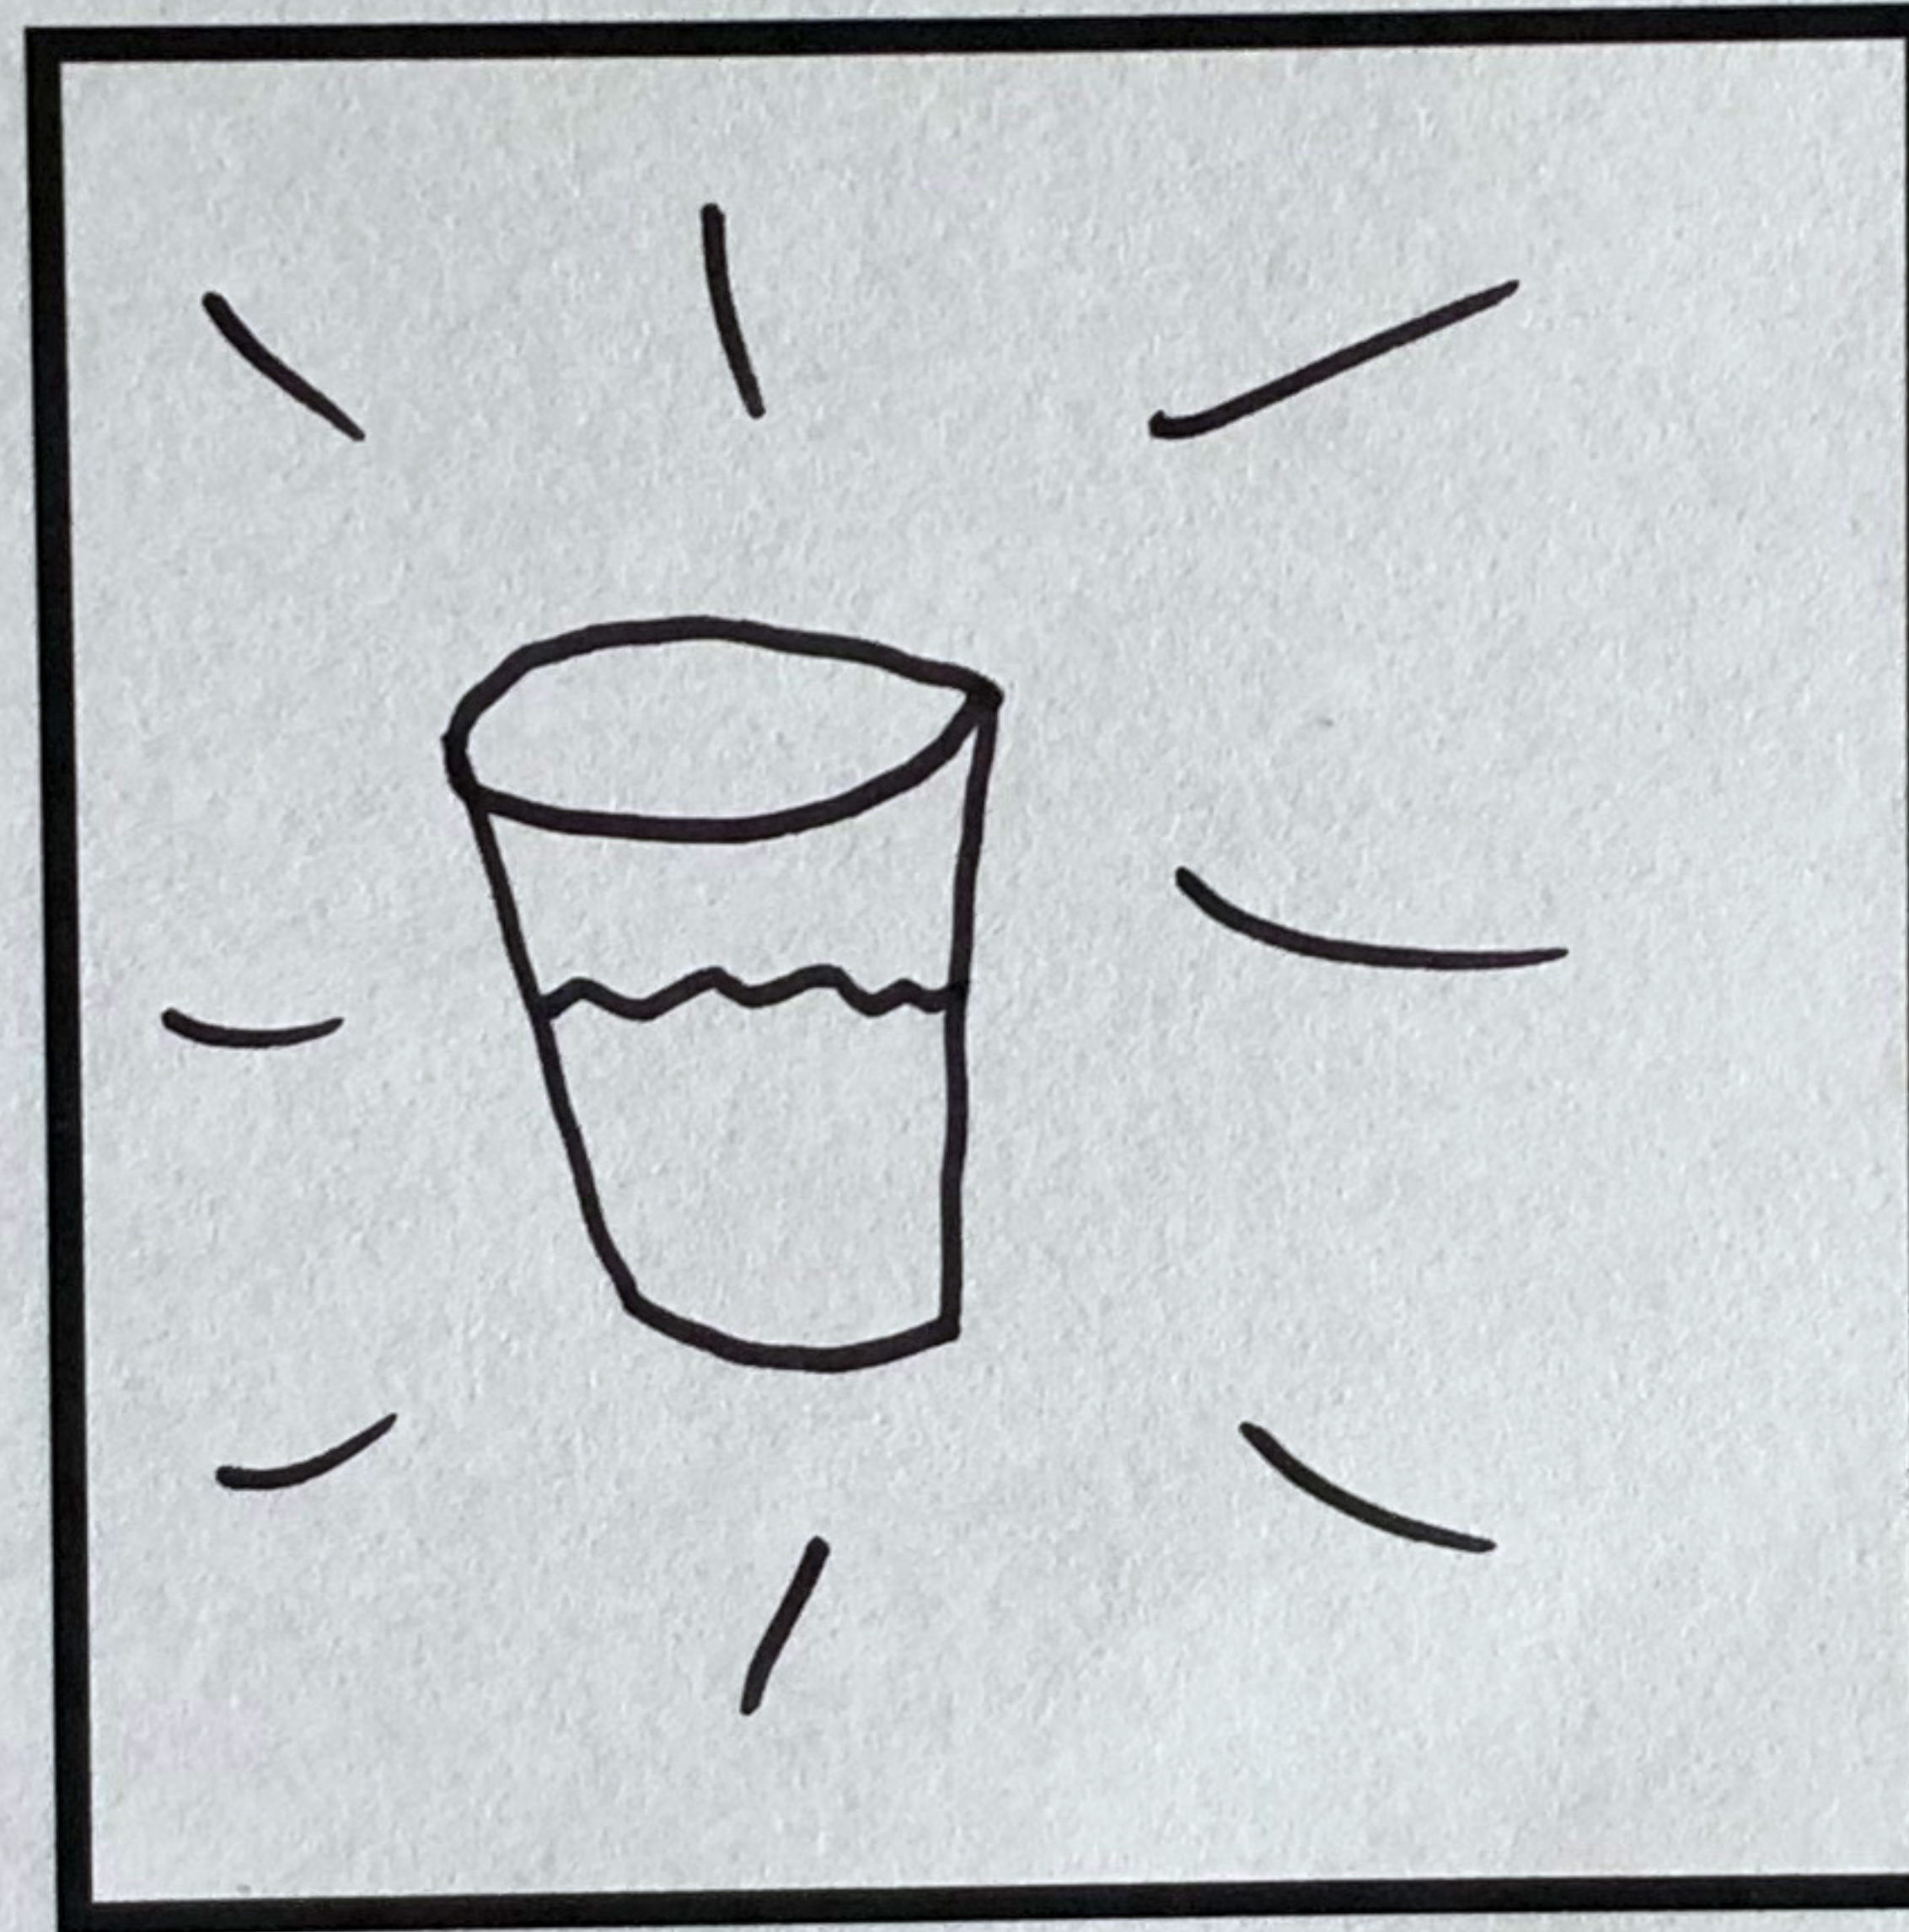

I was having so much fun, I didn't realize how HOT it was. All of a sudden, I was PARCHED. I was so thirsty I couldn't move a single step. Luckily, my mom brought me water.

I drank every drop. It was so REFRESHING. Then I played some more.

Sometimes, when I am playing, I don't notice how HOT it is outside. All of a sudden, it seems like I have been zapped. I am so thirsty, it

feels like an evil spell. Zap! Trapped! I can't move one inch. I need water!

But I am too tired to get a drink.

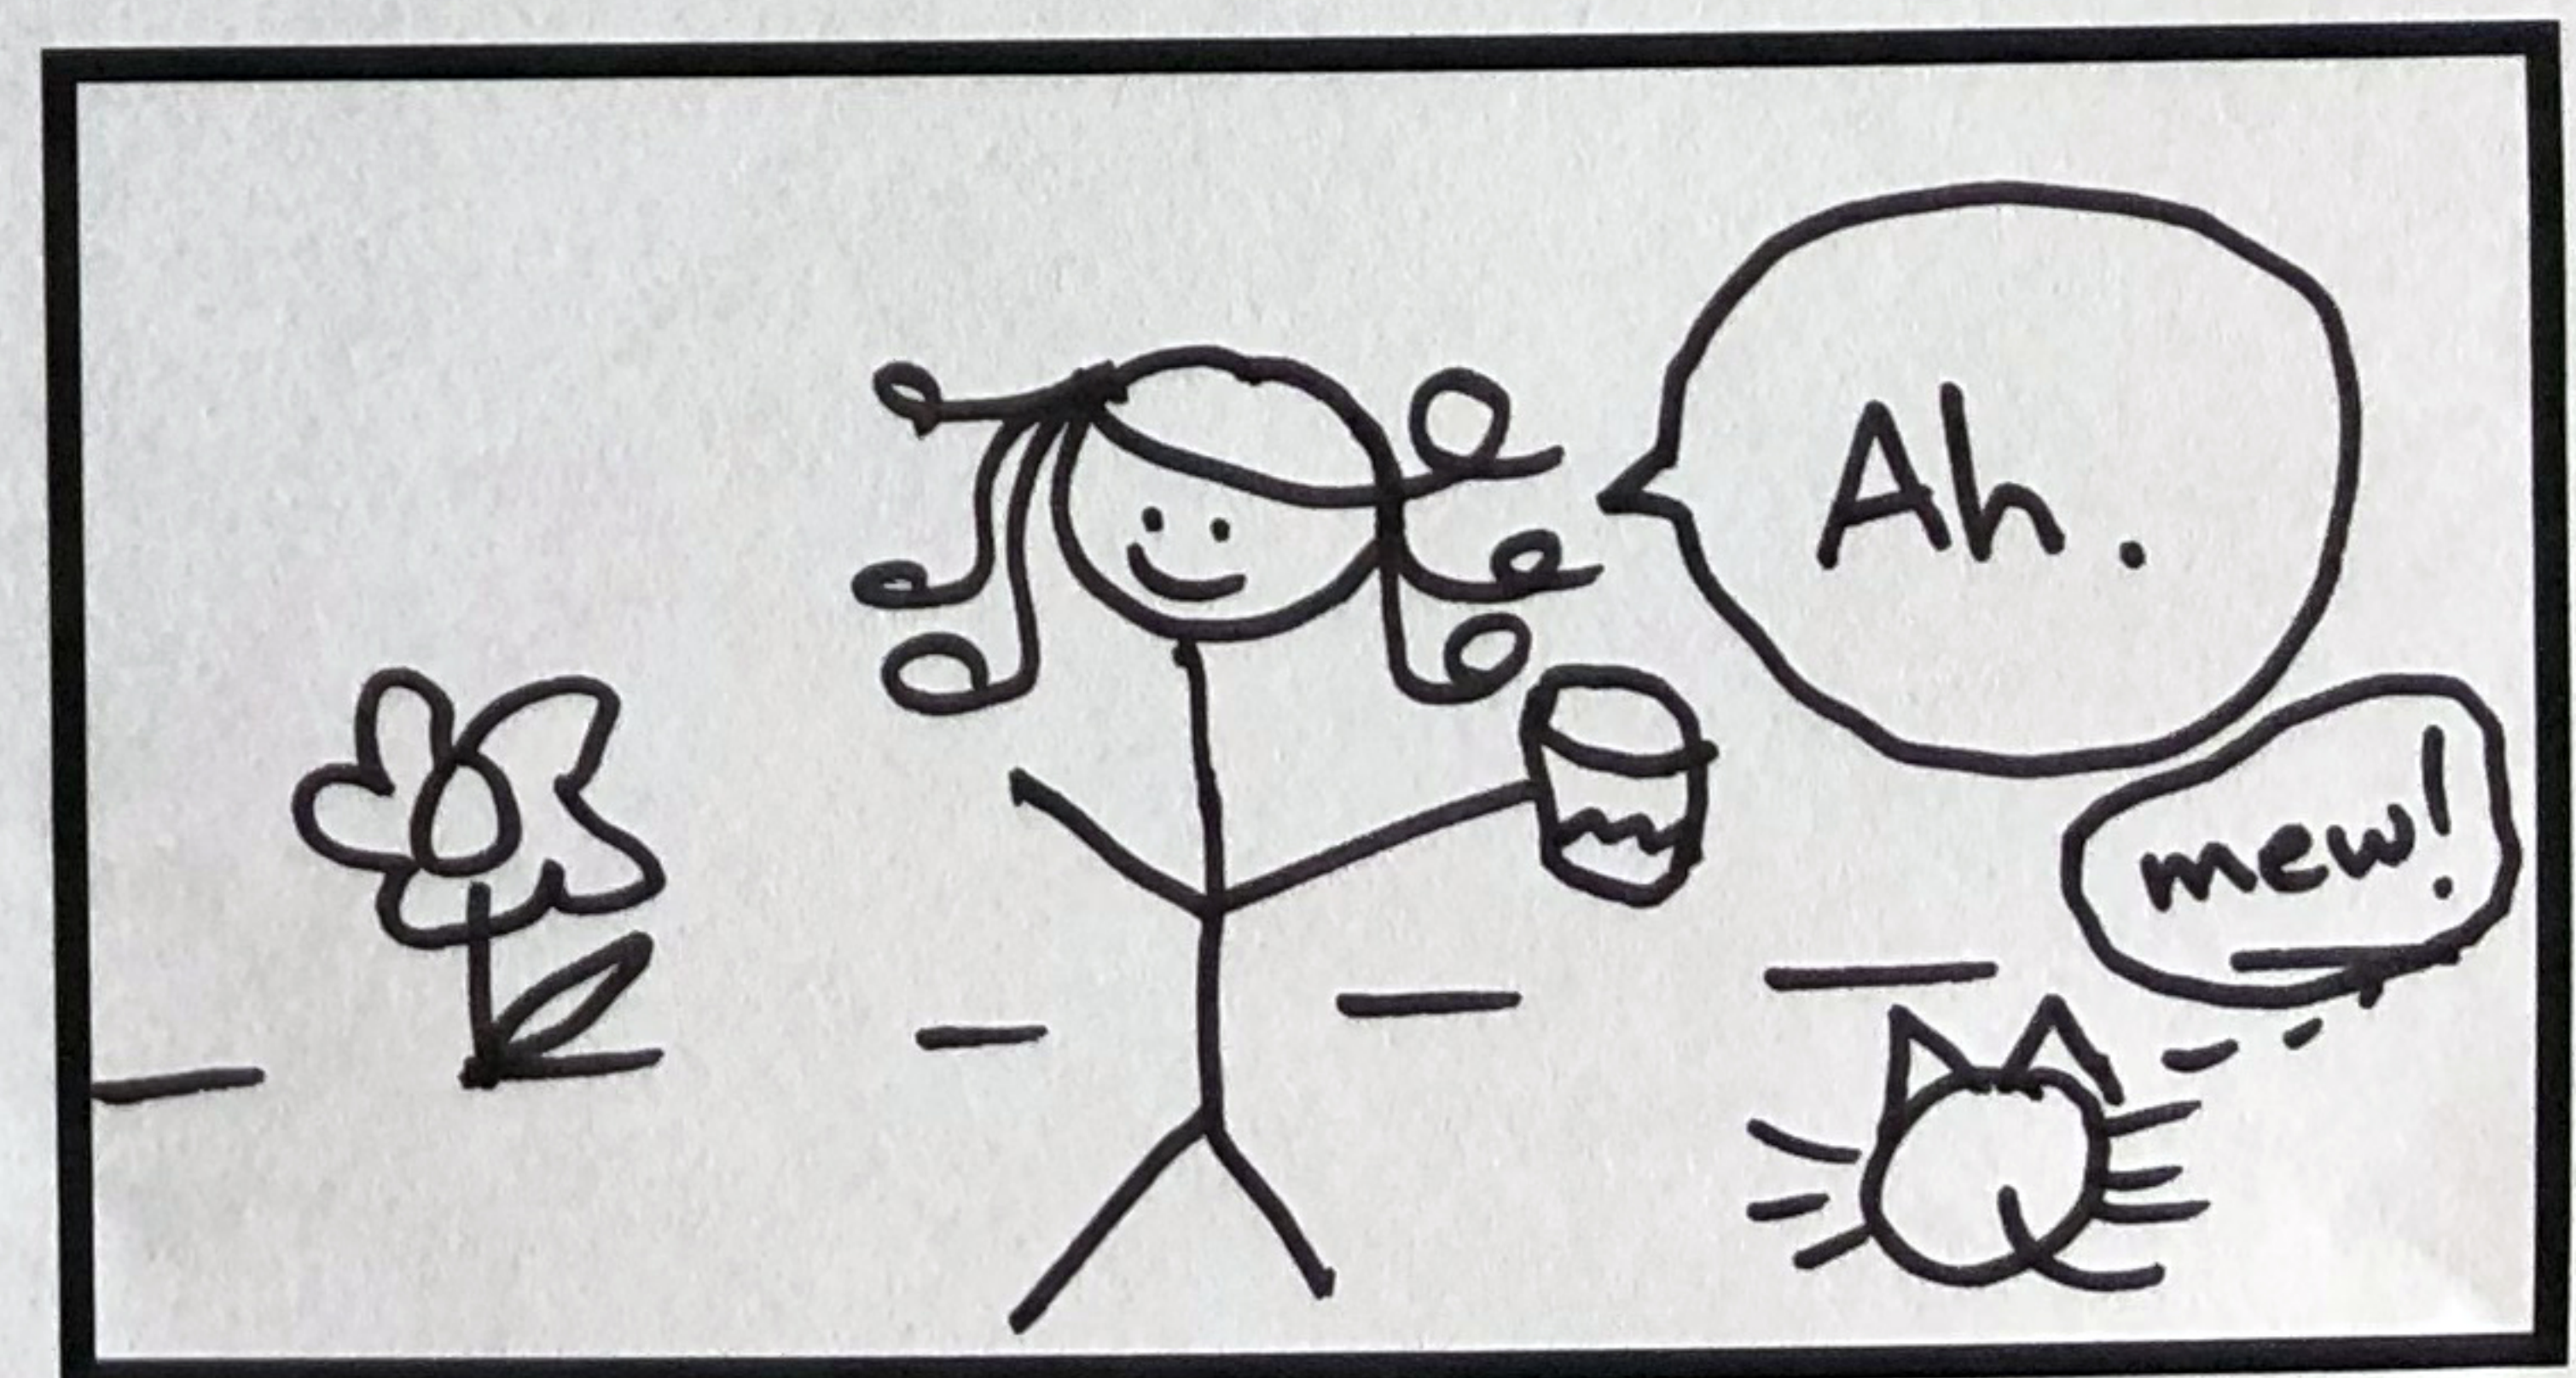

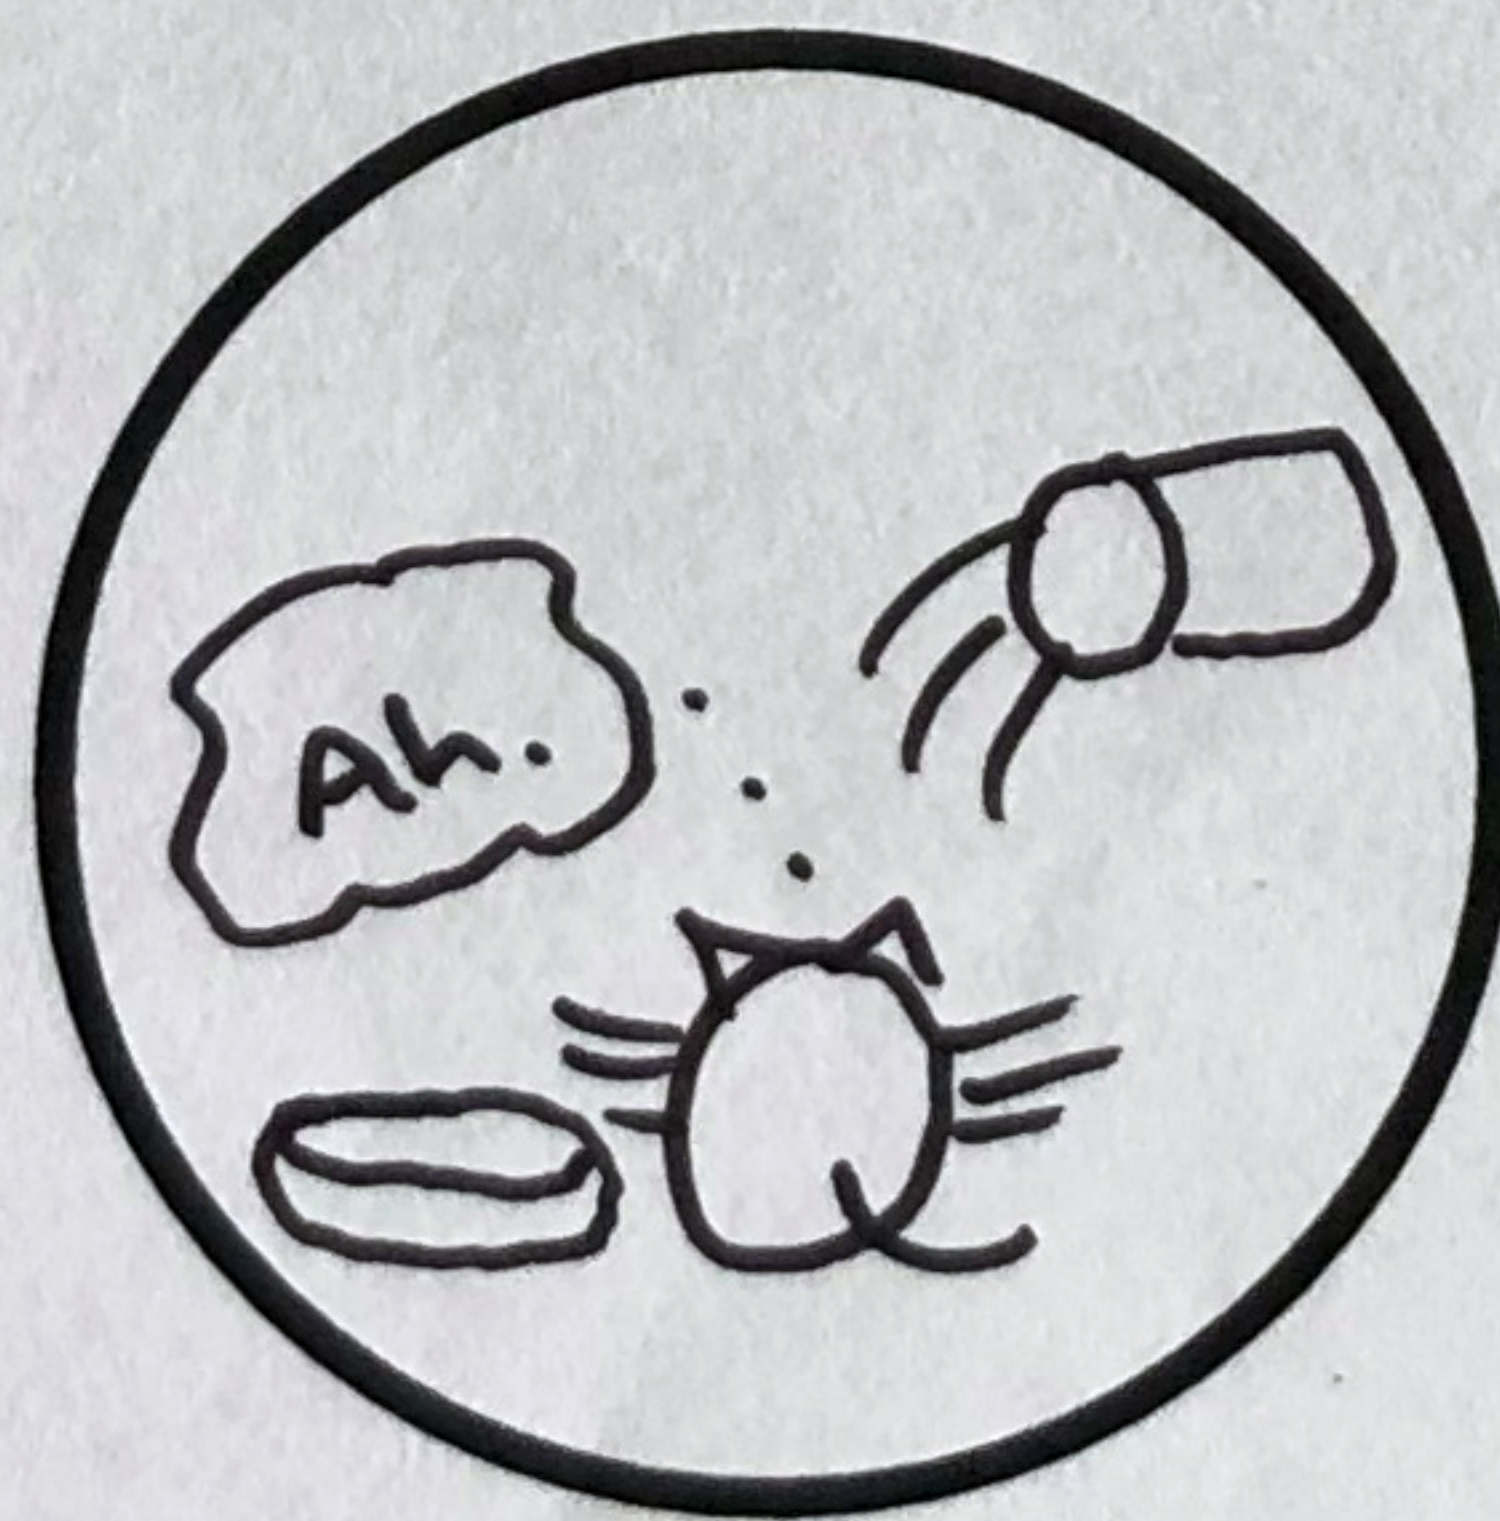

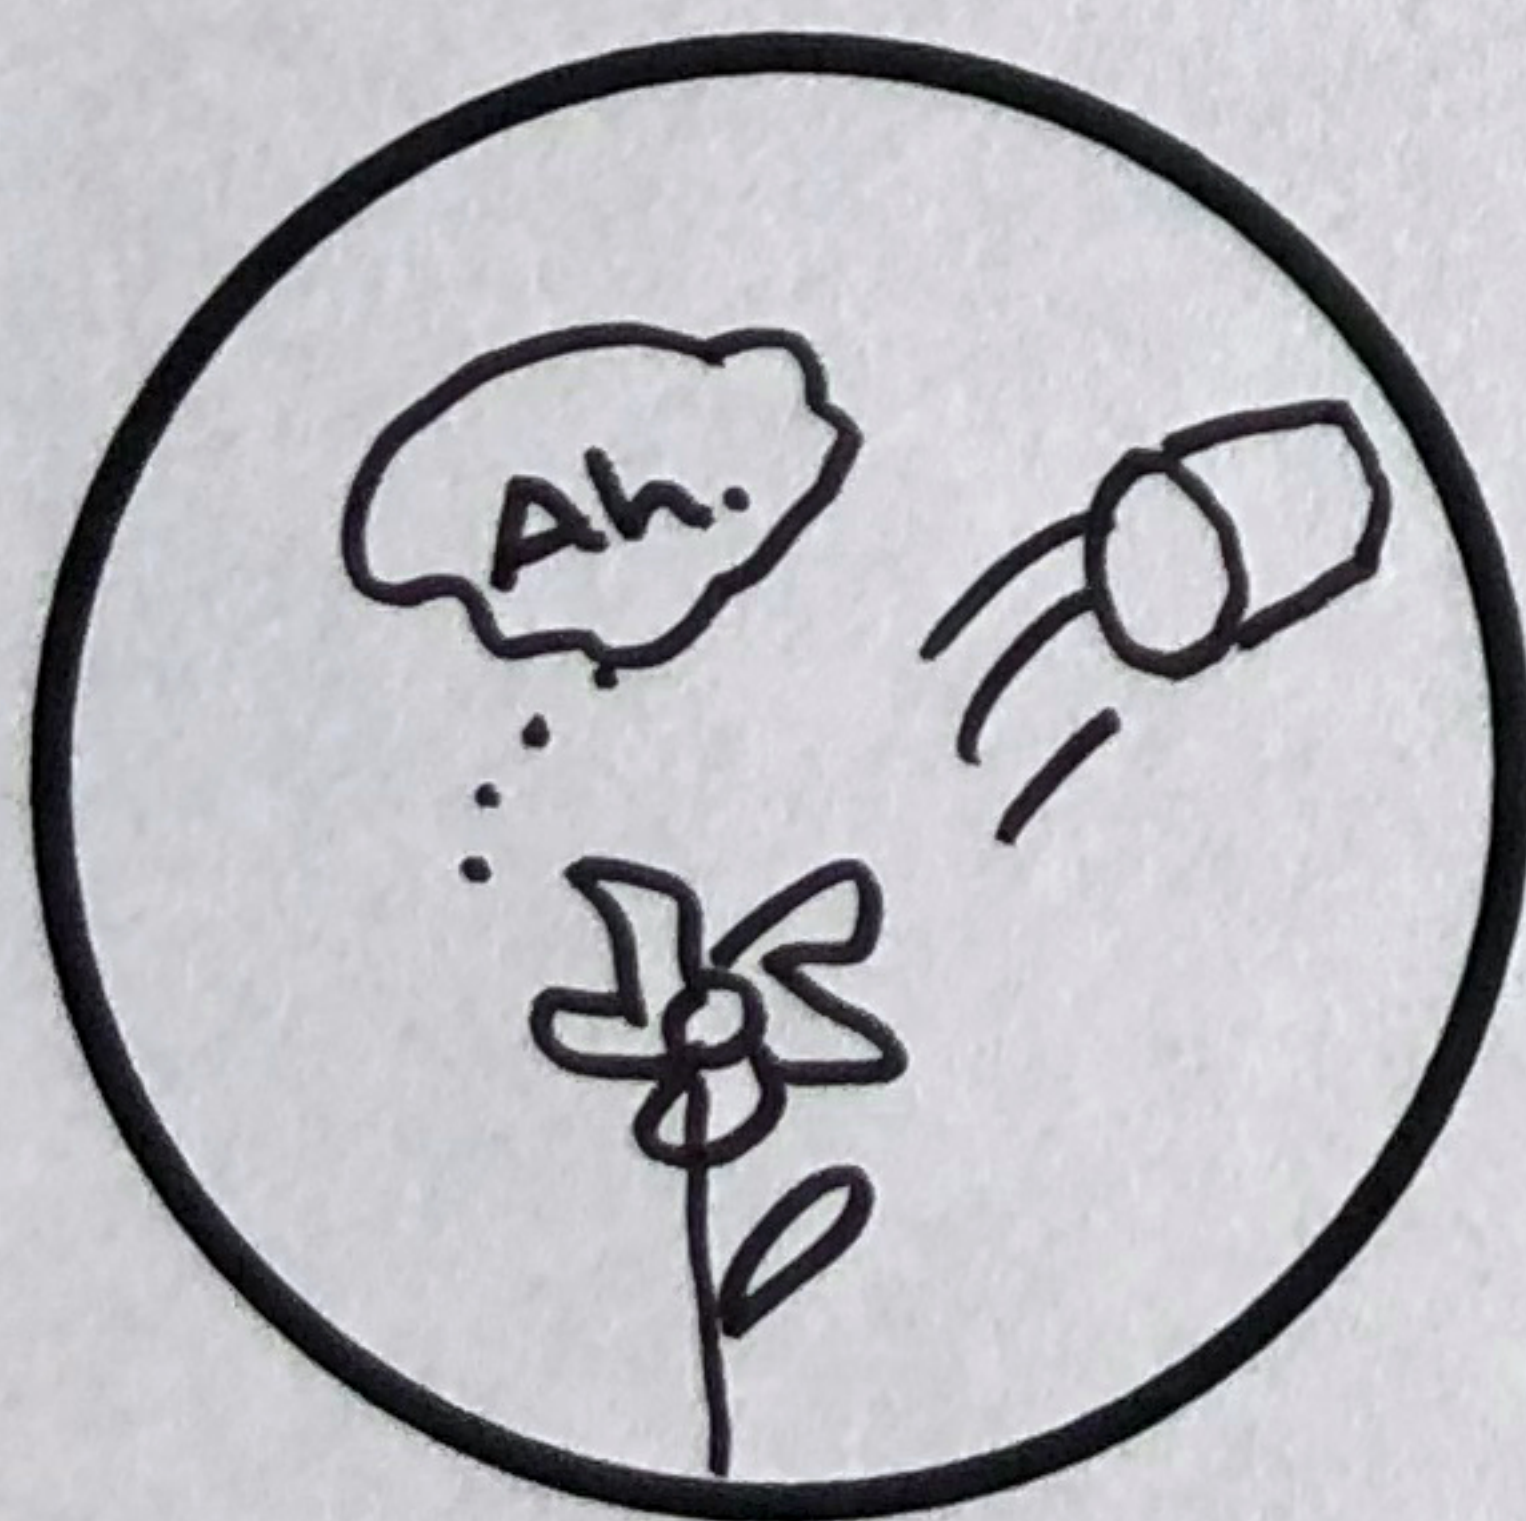

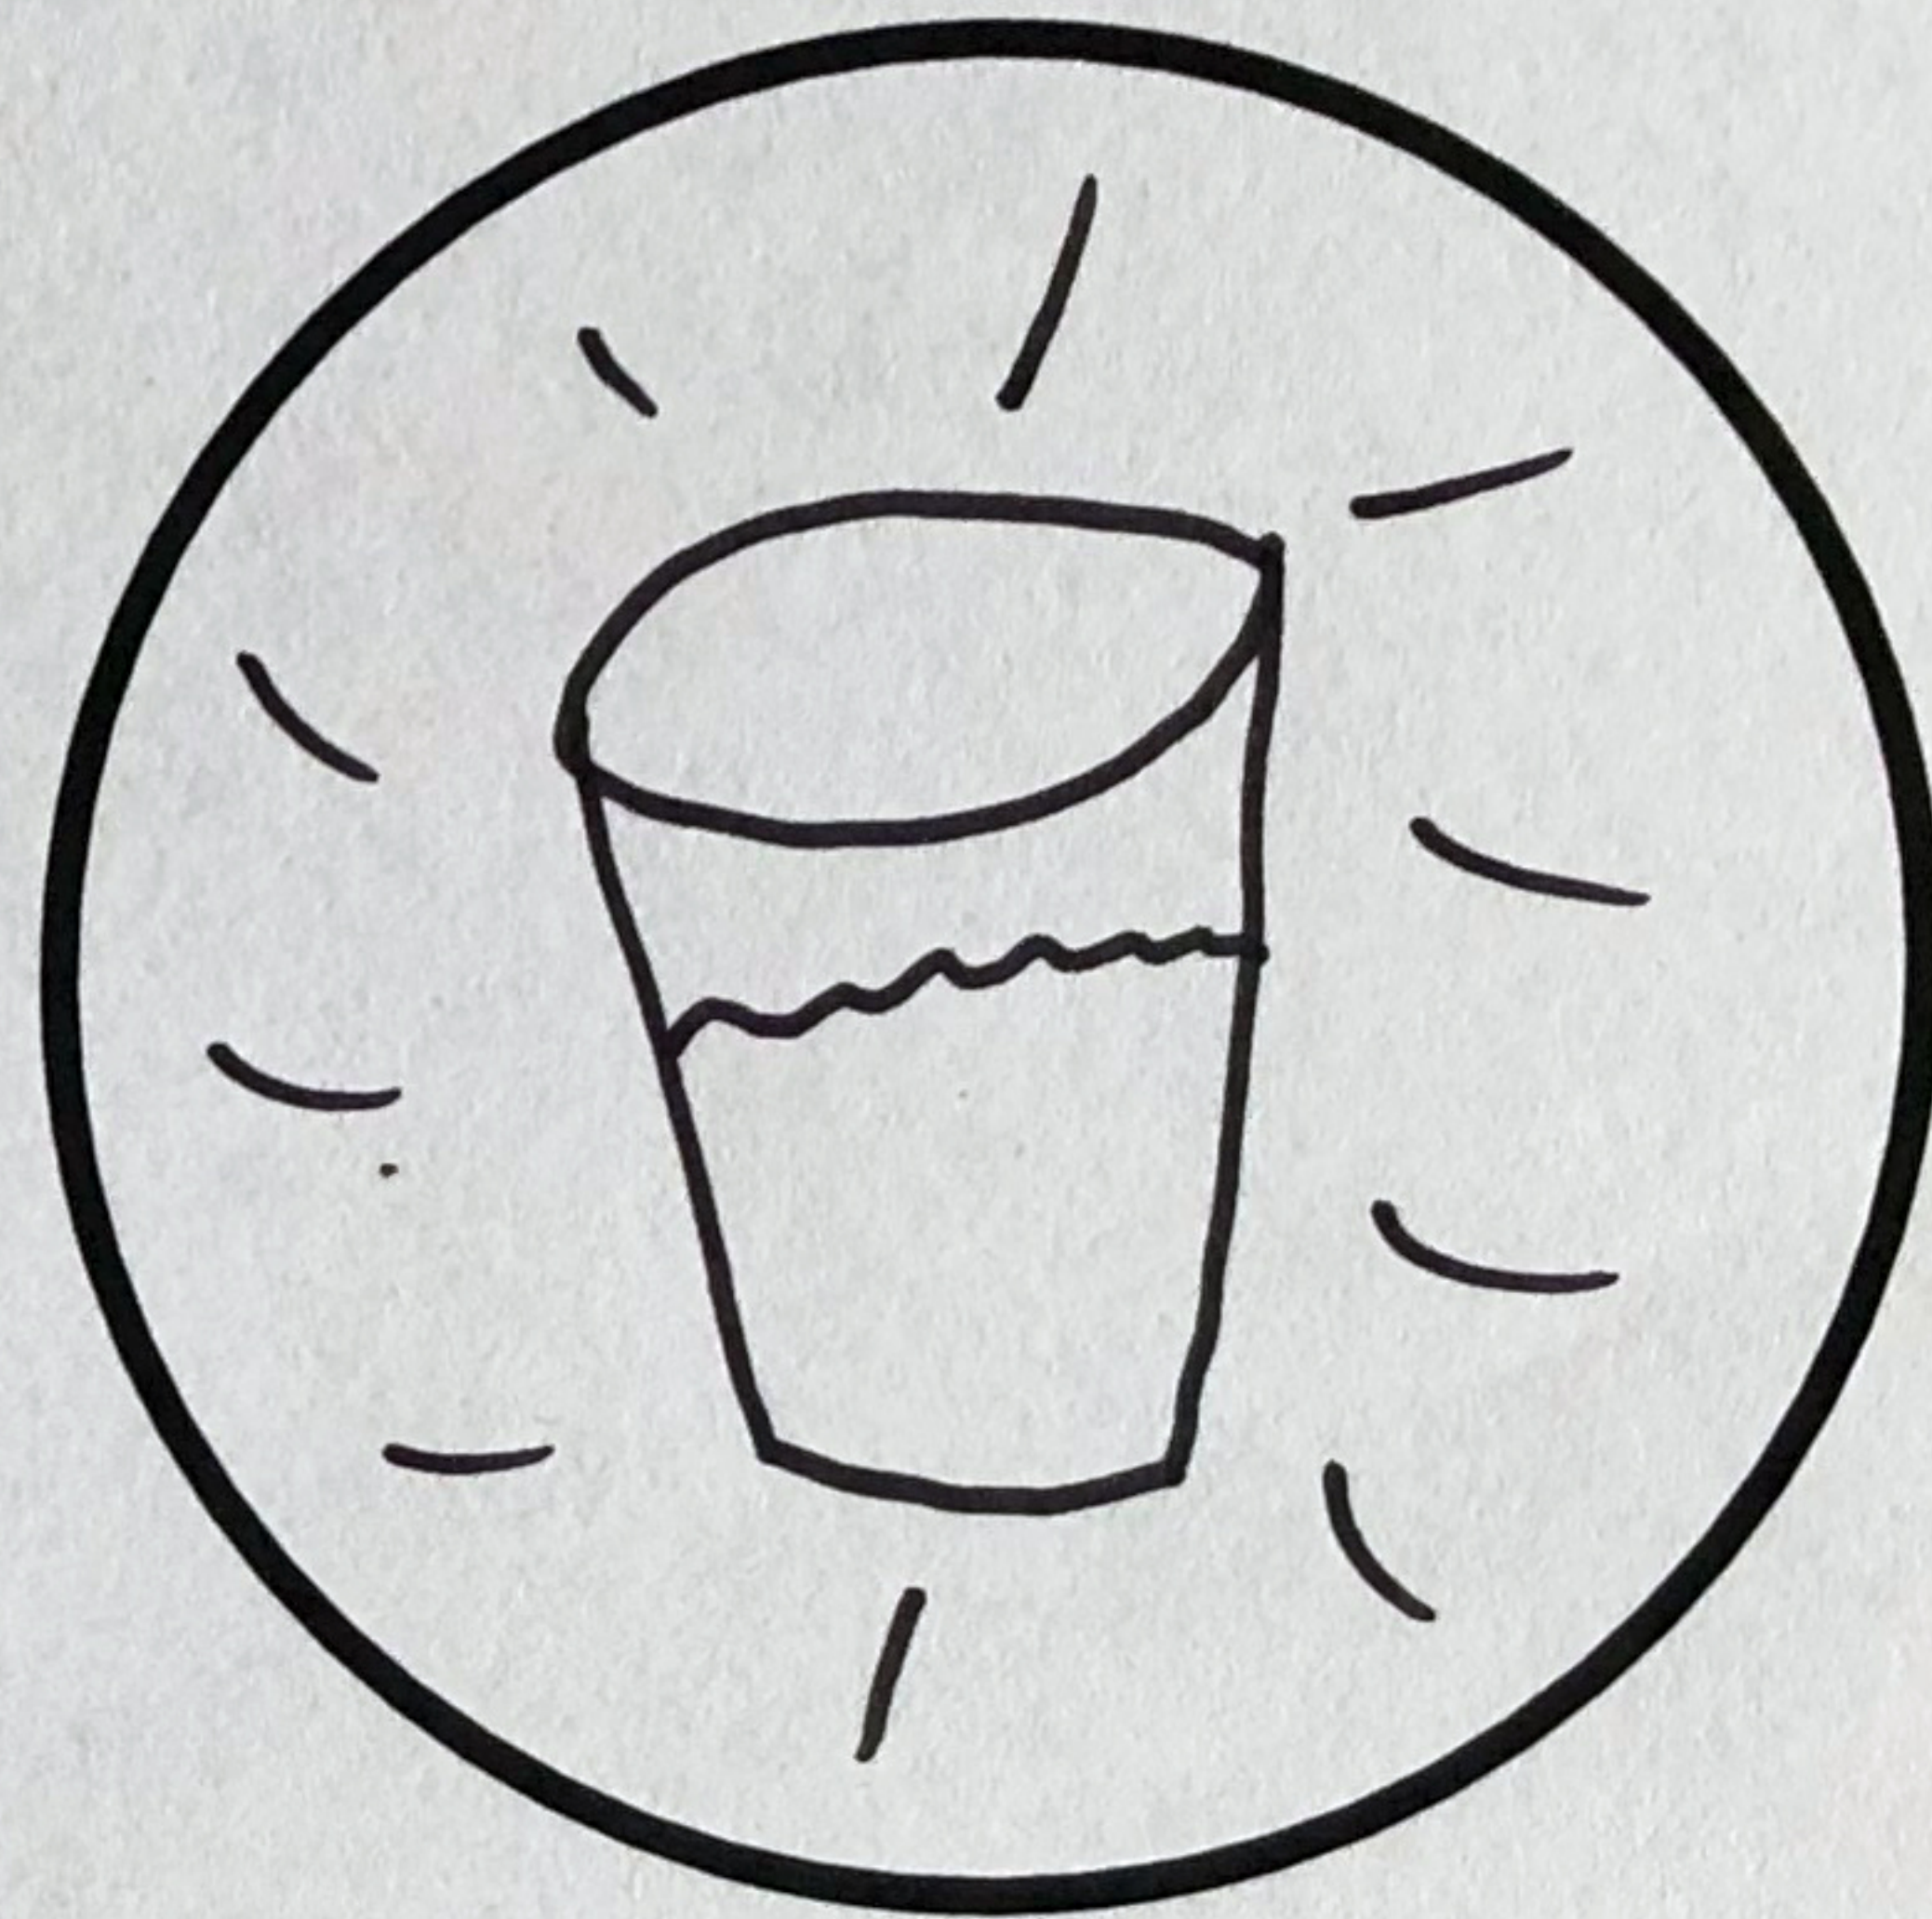

Magically, water appears! (Really, my sister brought it.) I drink every last drop.

Thank you, sister!
Let's play!
